

Calling all Naturalists!

From Holmes and surrounding counties

Join us to organize and plan premiere Ohio Certified Volunteer Naturalist programs in the Holmes County area.

Come for one or all three Thursday evening organizational meetings at the OSU Extension Office, 7368 County Road 623, Millersburg (just bring a lawn chair so on nice evenings we can be outside)

July 6, 7 p.m. - review of overall program; walking trail visit to a log cabin site, which we might be able to call 'home!'

July 20, 7 p.m. - learn about the "Volunteer Naturalist certification curriculum" from AgNR Educator David Goerig

Aug 3, 7 p.m. - share ideas and plan service learning projects to increase our region's 'natural appreciation'
