

2024 Outstanding Exhibitor Awards

Dog Projects

The Holmes County Jr. Fair Outstanding Exhibitor Awards program was developed to recognize youth who go above and beyond with their dog project both in and out of the show ring. Exhibitors who wish to participate must complete the skillathon/project record book judging (no make-up judging), showmanship, and create an educational video.

Exhibitors with intent to participate will do so by enrolling in Fair Entry. This will be an additional, separate class entry for the Outstanding Dog Award from your actual project to exhibit at the county fair. Exhibitors will need to fill out an entry for each species they wish to participate with. For Example, if you are taking the Dog Obedience project, you would complete four class entries in fair entry- 1 for your Obedience class, 1 for showmanship, 1 for Rally Class, and 1 entry for Outstanding Dog Participation.

Please take some time to review the information in this document to see what is included in the scoring process to determine if you would like to participate. Feel free to contact the Extension office if you need any clarification.
