Dear Parents:

To join 4-H:

- Children in K-2nd grade may join a special club just for them - Cloverbuds! A child at least eight years of age and currently in the third grade may join a traditional 4-H community club. 4-H membership ends December 31 of the year in which an individual attains the age of 19.

- Choose a club which meets in your area, a club your child’s friends are in, or call the Extension Office for more information on the various clubs in the county.

- Contact the club advisor whose name and phone number is listed in this brochure. Kids may join 4-H at any time, however to participate in the Holmes County fair, they must be enrolled by April 15.

- 4-H membership develops skills and knowledge kids need to succeed! There are over two hundred projects to choose from and summer is full of exciting experiences in 4-H! Many 4-H clubs take special trips and OSU Extension Office sponsors activities for members and families.
