Resource Books

If your project requires a Resource Book, you'll need to order that as well! Not sure? The [Family Guide](#) will indicate by an [R]. Resource books provide additional, in depth information related to the project and 4-H youth are asked questions during project evaluations based on content in resource books.

Projects requiring resource guides include livestock projects, pocket pet and cavy projects, cake decorating, dog projects, and horse projects. There is no Poultry Resource book, those resources are found at https://ohio4h.org/poultryresources

Make your own

If you would rather not purchase a book in this way, self-determined projects are an excellent choice for self-motivated members eager to get started by creating their own projects. Although self-determined projects may be better suited for older 4-H members, they are available for any member and are often based on **idea starters already available online**. Many of the idea starters are great stay-at-home projects too, for example, Music, Bats, String Art, Climate Change, American Sign Language, etc. Our extraordinary educators are even preparing one called My Stay-at-Home Summer! (For project judging, self-determined projects are judged in self-determined categories.)
