

# Custom Chemical Applicators for Greater Holmes County Area

**UPDATED May 2020:**

**Holmes Ag Services** which includes **Mt Hope Ag Center** and **Mt Eaton Elevator** will no longer be providing custom applications of all chemicals (pesticides, herbicides, insecticides, etc.) They will continue to provide custom fertilizer applications and other services.

**Meyer AG Services** purchased the custom application sprayer from **Holmes Ag**.

**Meyer Ag Services** is willing to provide custom chemical application services to farms/acres previously covered by **Holmes Ag**. You can contact **Meyer Ag Services** at the information provided here.

**Meyer AG Services**

**(419) 606-3154**

**626 State Route 89**

**Polk, OH 44866**

Other custom application companies are listed below. They will determine on a case-by-case basis if they are able to fit you into their current chemical application commitments. Due to liability issues, custom applicators will only apply chemicals they carry and not products you have on hand.

Field maps with acreage and cropping/chemical histories are recommended before talking with custom applicators. If a past client of **Holmes Ag**, they may have this information. Field maps can be obtained (for a cost) at the *Holmes County Soil and Water Conservation District Office; 62 West Clinton Street, Millersburg, OH 44654; (330) 674-2811*

The **2020 Weed Control Guide (Bulletin 789)** is available at the Holmes County OSU Extension Office, 75 East Clinton Street, Millersburg, OH 444654, (330) 674-3015. This publication gives current product recommendations to match your cropping needs. (\$16.50 walk in or \$23.50 shipped).

**Note:** *These companies will decide on a case-by-case basis if they can service new customers.*
